Ans:

Upendra Shah
B.Sc. CSIT Student — Kathmandu, Nepal

About Me
I'm a B.Sc. CSIT student who likes building systems end to end rather than stopping at the assignment brief. Recent work includes a voice assistant built with React and FastAPI, and a gRPC-based plugin runtime written in Go. My coursework covers Advanced Java, Software Project Management, and Data Warehousing & Data Mining.

Education

PERIOD	PROGRAM	INSTITUTION
[2023]-[Running]	B.Sc. CSIT	[Bhaktapur Multiple Campus]
[2021]-[2023]	+2 Science	[CCRC]

Skills

Java GO Python (FastAPI) React PostgreSQL gRPC
